

Carpenter

Are you interested in joining a positive team in building quality fence panels and a variety of cedar products? CV Cedar Sales & Fencing in Black Creek is seeking a Carpenter (no certification required). We're a small, friendly team that focuses on quality products and a great working environment. You'll build custom fence panels and gates using cedar and/or corrugated metal. Training will be provided. This is an indoor job (out of the rain/snow/heat). The ideal candidate will have some carpentry/construction experience, strong attention to detail, and the ability to work independently and think creatively.

No overtime required. Full time Mon–Fri, 8 am-4:30 pm. Potential for part-time. Free parking available. Wage range \$21 to \$25 depending on experience and ability.

Responsibilities

- Build CV Cedar's premium fence panels and gates
- Develop your carpentry skills and knowledge through hands-on experience
- Make accurate measurements and precision cuts
- Meet quality standards
- Keep the work area organized and clean
- Maintain positive relationships with staff and customers
- Adhere to safety guidelines and protocols
- Assist other employees at times.

Requirements

- Enthusiasm for building/carpentry/construction
- Positive contribution to teamwork
- Knowledge of lumber (dimensions, measurements, etc.)
- Proficiency with hand tools and power tools
- Strength and stamina to lift panels, gates, and lumber
- Self-motivation and organization
- Confidence, creativity, and openness to learning
- Ability to work independently in a fast-paced environment
- Provide a minimum of 1 reference

Apply: Send resumes to office@cvcedar.com, or drop it off in person: 8655 Island Highway, Black Creek
