### CHILD YOUTH WORKER

#### About the Role

As our Child Youth Worker, you will work as part of a vibrant team to provide care and support to young people living in staffed homes within their community. You'll encourage and empower the youth we support to be independent, self-determining, and live the life they envision while maintaining excellent standards of care, health, and safety. Your natural ability to care for others and work both independently and collaboratively as a member of a multidisciplinary team will allow you to influence your team's success.

#### Core Responsibilities

- Ensure the supported child's rights and choices are respected and advocate as needed
- Interact effectively with children we support
- Empower the children we support to be full citizens of their community
- Participate in the development, implementation, and documentation of Personal Service Plans
- Foster positive relationships with the child's family members, professionals, co-workers, and members of the community
- Assist with activities of daily living and medication administration
- Excellent understanding of behaviour management principles and strategies including mental health needs
- Record the daily activity and personal health information (PHI) of the children we support on our case management database
- To work in conjunction with the children we support to ensure their home is clean and well maintained at all times, including daily food preparation and light housekeeping duties

#### You will have

- Grade 12 education
- Child and Youth Care Diploma or equivalent
- Minimum 2 years of experience in community social services working with youth experiencing significant mental health, substance use, and/or concurrent disorder challenges in a multidisciplinary health care setting.

- Experience in Trauma-Informed Practice, Harm Reduction, and Recovery-Oriented Care
- Current Emergency First Aid/CPR and Food Safe certificates
- Previous behaviour management course/training
- Ability to effectively communicate (verbal & written) with team members, professionals, families, and community members
- Non-verbal communication skills
- Valid BC Driver's License
- Satisfactory Driver's Abstract & reliable vehicle with \$2,000,000 third-party liability insurance
- Criminal record clearance for children and vulnerable adults
- Ministry of Children and Family Development (MCFD) HUB clearance
- TB Test
- Moderate computer literacy
- Eligibility to work in Canada
