

JOB POSTING

Licensed Early Childhood Educator

Qualicum First Nations is seeking an Early Childhood Educator for our new 3-5-year Head Start Program. The Early Childhood Educator is responsible for Program planning and implementation as well as providing a safe environment for children and families.

Responsibilities Include:

- Ensuring the delivery of a safe, developmentally appropriate, quality child care program in accordance with legislation, policies and procedures.
- Providing age appropriate activities that are nurturing and culturally sensitive.
- Maintain confidentiality of all information related to centre's families, staff and program.
- Ensures that the facilities, equipment and materials are clean, safe and well maintained.
- Collaborate with Elders and other staff.
- Ensure that the program is supportive for children and families

Qualifications:

- Early Childhood Education Certificate
- Valid first aid certificate including child CPR
- Clear criminal record check
- Experience in a child care setting preferred
- Excellent verbal and written communication skills

Wage: \$20.00 - \$22.00 an hour to start
