

## **Field Service Technician – ScaleAQ North America, West Coast Office, Campbell River, BC**

ScaleAQ is an international aquaculture supply and service company. We provide innovation, technology, and equipment to customers globally in more than 40 countries through 900 staff from our 27 offices.

We are looking for a Field Service Technician to join the ScaleAQ North American team based in our head office in Campbell River, BC.

### **Your duties and responsibilities would be to:**

- Continuously adhere to safe work practices on farm (sea-based) sites and in the shop
- Troubleshoot, repair and install electronic equipment, including antennas, cameras, computers, software and related equipment
- Troubleshoot, repair and install mechanical systems
- Provide technical support and training to customers
- Maintain professional and technical requirements for the position and contribute to the company ethos of continuous learning and development
- Work in the field up to 80% of your working week with some overnight stays
- Provide on-call support on weekends and statutory holidays on a rotational basis

### **The qualifications, training and experience required would be:**

#### **Essential**

- An ability and willingness to work productively and safely in a challenging marine environment
- To be motivated to work alone or as part of a team
- The capability to perform troubleshooting procedures
- An ability and willingness to work on marine sites and travel to the United States
- A valid drivers license [Class 5]

#### **Desirable**

- Trade or related training in electrical, mechanical, millwright or IT/computer operating systems
- Two years related experience or an equivalent combination of networking, software, mechanical and electrical system
- Working knowledge of both LAN and WLAN protocols
- A Pleasure Craft Operator Card, or other qualification as required
- Knowledge of motor control circuits for FVNR, FVR and VFD

#### **Benefits**

- Extended medical
- Generous RRSP contribution plan
- Work gear and PPE
- Continuous training
- Innovative and growing company

**Please submit your resume to [Admin.wcan@scaleaq.com](mailto:Admin.wcan@scaleaq.com)**

We thank applicants for taking the time to send in their resumes. All will be given fair consideration. Only those selected for interview will be contacted.
