

IMAGINE YOUR LIFE'S WORK IN OUR PIECE OF PARADISE

Vancouver Island, BC

We are seeking casual Food Services Supervisors/Technicians to join our team

In this role, you will implement and adjust individual meal plans for clients on therapeutic diets, meet time-sensitive diet administration duties for multi-sites and ensure nutrition and diet standards are met. Responsibilities include supervision of cooks and other designated staff, participation in food delivery services to patients and supply management.

On Sunday, September 10, 2017, the doors to a **NEW Campbell River Hospital** will open. You will work with state-of-the-art equipment and an energetic team committed to patient safety. To learn more about the new \$274.5 million, 95-bed hospital opening in Campbell River, visit the [North Island Hospitals Project](#) website.

Qualifications

As the successful candidate, you will have graduated from a recognized two-year program in Food Services Supervision, plus one year of recent related experience. Food Safe Training is required.

Your background will demonstrate your excellent time management skills in a fast-paced work environment. You are an effective supervisor with good communication.
