

# Fuel Truck Driver

Full-Time / Permanent

Port Hardy

Wage dependent on experience & skill set

## Details:

We are looking for 1 to 2 well rounded individuals, with a strong sense of community and a safety first attitude, to be a part of our team. The successful applicant would be responsible for: Safe and efficient delivery of fuel to storage tanks, and equipment. Daily maintenance and care of trucks and equipment. There will be repeated, heavy lifting, each day. Driving on active, radio controlled, logging roads. Applicant must be organized and keep legible, up to date logs. Terminal and equipment familiarization and training will be provided. Hours will vary but generally are a '5 on 2 off' shift with an aim at 45 hours per week as available work allows. Night shifts, weekend work and overtime is required. The right candidates will be trained up to take over the full time positions of retiring drivers. This is intended to be a full time, long term position, with a company that supports its employees and their goals. In addition to a competitive wage we offer benefits including: Medical, dental, matching RRSP contributions, monthly cell phone allowance, annual boot allowance.

## Qualifications & Experience:

Class 3 drivers license With air brakes and a clean driver's abstract. Preference to those with class 1.

Must pass a pre-hiring drug and alcohol screening.

Ability to lift 50 pounds repeatedly throughout the day.

Steel toed boots, in good condition. (No exposed caps). All other required PPE will be supplied.

Mechanically inclined.

Attention to detail esp. as relates to mathematical accuracy and log books.

Good organizational skills. Good communication skills, verbal and written.

A desire to exceed customer expectations.

Able to self motivate.

Must be able to adapt to a changing schedule and work with others in the team to plan out the best way to get all tasks complete.

## Additional Qualifications & Experience which would be an asset:

Automotive or heavy duty mechanic experience

Fork Lift operator

First aid

Pleasure craft operator

Familiarity with local logging roads

Incident Command System training

Spill Response Training

Fire fighting experience

## How to apply:
