

Hatchery Technician

If you are looking for an exciting opportunity to explore a career in the aquaculture industry, then this is the role for you! Mowi Canada West is recruiting for a Hatchery Technician to join our Freshwater team.

Applicants with aquaculture experience and/or relevant post secondary education will be given preference as we are a company that embraces constant learning and industry professionalism. The ability to get along with a wide variety of people from different backgrounds and cultures is paramount. We are looking for employees who are safety-oriented, self-motivated, highly organized, and have a positive attitude.

Responsibilities:

- Follow all safety protocols to ensure a safe work environment
- Feeding and all other care required for fish from egg to smolt stages
- Accurate reporting, record keeping and document management
- Conducting daily water quality and equipment checks
- Monitoring fish behaviour, appearance and overall health
- Safely operate mobile and site equipment as authorized and upon completion of required training
- Cleaning, power-washing and sanitizing to maintain a pristine environment for our fish and our employees

What we offer:

- Competitive industry wages and full-time, year-round employment
- Day shift schedule of 4 days on, 3 days off
- Comprehensive Flex Benefits Plan including Life & Disability Insurance and pension plan is available to eligible employees
- Wellness Program including an annual wellness reimbursement
- Potential for Annual Bonus
- Transportation from our Campbell River marshalling point

Wage: \$26.31 - \$29.90/hour

Closing date: September 6, 2026
