

Peak Window Cleaning is the North Island's most trusted exterior cleaning company.

Our motto is, "Peak Performance Every Time" and that reflects both the quality of the work as well as the work ethic we possess.

We have enjoyed rapid growth and are looking for someone interested in making a career out of this opportunity; someone willing to grow with us and willing to stay for the long haul.

About the job:

We have one permanent position available.

You will be challenged in a fast-paced environment with a very busy schedule.

You will need an eye for detail in order to avoid call-backs and keep our reputation intact.

Responsibilities:

Work safely at a fast pace.

Work in all types of outdoor weather.

Work diligently and professionally to satisfy the expectations of all customers.

Learn and apply advanced squeegee and window cleaning techniques.

Use a "water-fed-pole" to clean large commercial properties.

Use state of the art exterior cleaning systems including a gutter vacuum system and a "soft-wash" house washing machine as well as a pressure washer and roof de-mossing system.

Use ladders.

Drive and operate a company vehicle as required.

Qualifications & Experience:

Previous experience is an asset but not necessary.

If you have a great work ethic and take pride in doing great work, then you might already have what it takes to join our team.

You must be friendly, honest, prompt, reliable and courteous.

If you are a fit, energetic and meet the above requirements then you should apply.

A criminal record check and driver's abstract are both required.

Experience with ladders and fall restraint would compliment your skill set.

How to apply:

Send your resume and cover letter to admin@peakwindowcleaning.ca

Compensation:

Starting wage is \$18.5 to \$20 DOE with regular raises contingent on competency. Benefits after 6 months.
