Job Posting: Safety Coordinator

About Wahkash

Wahkash is committed to ensuring the highest safety standards across our operations in the forestry industry. We are seeking a proactive and dedicated Safety Coordinator to join our team. This full-time role is essential in maintaining our commitment to safety excellence and enhancing our safety culture.

Position: Safety Coordinator

Key Responsibilities:

- **Safety Culture:** Continue to maintain and build our industry leading safety culture by working collaboratively with ownership, supervisors and crew to develop,

implement and maintain the company's Occupational Health & Safety program (OH&S).

- **Communication and Support:** Collaborate with and provide daily support to supervisors and crews on safety matters.
- **Auditing and Inspections:** Complete regular remote camp audits and inspections of worksites from harvest cutblocks to road headings.
- **Resource Management:** Oversee camp start-ups and work directly with supervisors to ensure Prime Contractor obligations are met including Notice of Projects, supervisor binders, powder mag licenses, etc.
- **WorkSafe BC Relations:** Build and nurture direct relationships with WorkSafe BC to continually improve the company's safety program.
- **Manage Incidents:** Manage incidents from safety shares to investigations in a professional and comprehensive manner.
- **Safety Statistics:** Track and submit safety statistics regularly ensuring accurate and timely reporting to licensee's.
- **Documentation Management:** Gather, submit, and file all safety documentation efficiently.
- **Emergency Response Planning:** Support ERP drills and ensure readiness across the organization.
- **Training Coordination:** Plan and coordinate comprehensive safety training for all company personnel and conduct new hire safety orientations.
- **Leadership Communication:** Ensure leadership and crews are informed about industry safety developments.

Qualifications:

- **Experience:** Experience in safety coordination is an asset, but we are willing to provide training to the right candidate.
- **Skills:** Strong communication, organizational, and interpersonal skills. The ideal applicant should also have strong technology and computer proficiency.
- **Knowledge:** A solid understanding of WorkSafe regulations and standards is an asset.

Why Join Wahkash?

- **Growth Opportunities:** We offer professional development and training to enhance your skills.
- **Dynamic Environment:** Work in a supportive and innovative team, committed to safety excellence.
- **Impactful Role:** Play a critical role in shaping and maintaining safety standards within our organization.
- **Wage Range and Benefits:** The wage range may fluctuate depending on experience and skill level and come with a comprehensive health benefits package and RSP contributions.

How to Apply

If you are passionate about safety and eager to contribute to a culture of safety excellence, we invite you to apply. Please submit your resume, references and cover letter detailing your relevant experience and interest in the position to info@wahkashcontracting.com with subject line "Safety Coordinator".

Join Wahkash and be a part of a team that values safety, integrity, and leadership.
