

## **Lead Installer at CV Cedar Sales & Fencing**

An excellent opportunity waits for a Lead Installer to join a team where professionalism, respect, and teamwork are at the heart of everything we do.

### **About the Role**

As a Lead Installer, you will take charge of a variety of projects, including cedar, metal, chain link and split rail fencing, gates, pergola, and deck installations. In this role, you'll lead a crew of installers, ensuring that every job meets our high standards for quality and customer satisfaction. We are willing to provide additional training to an ambitious person with strong leadership skills. We are willing to provide additional training to an ambitious person with strong leadership skills. If you're looking for a workplace that values quality work, autonomy, collaboration, and a commitment to excellence, we'd love to hear from you!

### **Key Responsibilities**

- Lead job sites by developing work plans and tracking job completion.
- Install fences, gates, pergolas, and decks while safely operating tools, forklifts, commercial trucks, and trailers.
- Train, mentor, and supervise other installers to help them grow.
- Ensure safety standards are upheld, and safety policies are followed by the entire crew.
- Communicate effectively with team members and customers to ensure smooth operations.
- Foster a positive and respectful work environment.
- Manage job materials and report material usage.

### **About You**

You bring proven experience in installations, along with strong leadership skills. You take pride in mentoring and training others, sharing your expertise to help your team succeed. Your communication style is respectful and professional, whether working with customers or coworkers.

You're known for your excellent work ethic and take satisfaction in delivering high-quality results, and you're willing to work outdoors year-round in whatever weather the Island brings. If you're someone who enjoys working with others to tackle challenges and get the job done right, we'd love to meet you!

**Work Hours:** Full-time, Mon to Fri, 8:00 AM – 4:30 PM (no evenings or weekends)

**Wage:** \$25-\$45, depending on experience

**About Us:** At CV Cedar Sales & Fencing, we pride ourselves on delivering top-quality fencing solutions. Our commitment to excellence means leaving job sites clean and tidy, prioritizing safety, and exceeding customer expectations.

We work hard, but we know how to have fun doing it! Our caring and supportive environment helps every team member do their best work. With open communication and a focus on feedback, we grow and succeed together. Over the past twelve years, we've evolved into a leader in fencing across the Comox Valley and Campbell River, and we're looking for people who share our pride in working hard, staying sharp, and delivering quality results every time. If you're looking for a workplace that values quality work, autonomy, collaboration, and a commitment to excellence, we'd love to hear from you!
