

IMAGINE YOUR LIFE'S WORK IN OUR PIECE OF PARADISE

Vancouver Island, BC

Island Health is looking for a temporary full-time Maintenance Worker/Groundskeeper

As the Maintenance Worker/Groundkeeper, you will operate, repair, and maintain buildings, building systems, appliances, machines and grounds for a multi-site operation. More specifically, you will:

- Operate and maintain HVAC and other building systems as necessary, including starting and stopping equipment, reading meters and gauges, and manipulating system controls and valves. Troubleshoots and repairs systems as required.
- Replace and repair plumbing fixtures such as sinks and toilets; repairs water supply and waste lines, and unplug plumbing, as well as replace tap washers.
- Provide building and furniture repairs and maintenance by applying materials such as fasteners, drywall, paneling, floor and ceiling coverings, filler, paint and other covering materials. Transport and move heavy furniture and/or equipment manually or by using various aides such as dollies or carts
- Perform maintenance on equipment and appliances, such as sterilizers, washers, dryers, wheelchairs, beds and carts by disassembling, cleaning, oiling, greasing, replacing broken or worn parts, such as filters, bearings, seals, shafts, and reassembling equipment
- Answer service and emergency calls for systems such as fire, medical air, vacuum, medical gasses, heliport, ice and snow removal, electric power back up, heating, communications and various security systems and procedures.

Qualifications

Grade 10, plus 3 years' recent, related experience and/or equivalent combination of education, training and experience. Travel between multiple sites may be required. The ability to communicate effectively (both verbally and in writing) and work with others effectively is required. You also have the physical ability to carry out the duties of the position and operate related equipment as required.

The District of Mount Waddington

Mount Waddington encompasses the northern third of Vancouver Island and a large area of the adjacent mainland. With a population of approximately 12,000, this area includes the scenic coastal towns of Port Hardy and Port McNeill. Port Hardy boasts a broad range of services and retail outlets. Campbell River, the nearest major centre is approximately 2-3 hours to the south while the city of Victoria is approximately 7 hours away by road.

About Us

Island Health is one of five regional health authorities in British Columbia and the largest employer on Vancouver Island with over 21,500 employees, 1,900 physician partners and 6,500 volunteers. We offer an exceptional employer-paid benefits package including dental and prescription coverage, group life, long term disability and extensive extended health plan, plus up to four weeks' vacation after your first year of employment.

Excellent health and care for everyone, everywhere, every time
