- Progressive work environment that supports safety and diversity
- Dedicated workforce
- Training opportunities
- Progressive talent management
- Pay-for-performance compensation model
- Robust Covid-19 Protocol
- Competitive benefits package after 3 months
- Social events
- Employee referral program
- Employee recognition program

Responsibilities:

- This is physically demanding work, performed outside in all weather conditions, holding a pressure washer, washing nets
- Rope Knots – Reef, Bowline, Half Hitch, Clove Hitch, Lock Knot (Catspaw)
- Proper use, maintenance, and storage of tools

Qualifications:

- Punctual
- Good attendance

- Dependable and reliable
- Strong work ethic
- Strong initiative
- Strong interpersonal Skills
- Safety-conscious
- Positive attitude and enthusiasm
- Excellent work quality

Experience:

- No experience needed, training will be provided

Safety & Environmental Statement

Badinotti follows the proper work procedures and guidelines that provide continuous technical support to ensure our safety, quality and environmental certifications are current. We develop products and services that assist our clients in contributing to the preservation and improvement of the environment, with the goal of conserving it for future generations.
