## Job Title

Millwright Artisan – Full Time Fly In Fly Out - Gahcho Kué Mine, Northwest Territories

## Job Description

De Beers Group has an opportunity within the Process Mechanical Department at the Gahcho Kué Mine for a highly motivated Millwright Artisan. This position installs, maintains and repairs all stationary, mechanical and auxiliary equipment in a safe, functional, reliable condition and provides quality customer service to the maintenance planning function. Responsibilities will include maintaining and repairing a wide variety of items for the process plant and associated infrastructure. The ideal candidate is one who is committed to safe working practices and strives for zero harm.

Reporting to the Maintenance Supervisor, Process Mechanical, the role is based in the Process Mechanical team within Engineering & Site Services department.

### Key responsibilities:

Conducting preventive maintenance (inspections, adjustments, and overhauls) on mechanical equipment including pumps, tanks, piping, air compressors, and building infrastructure;

- Conducting corrective maintenance (repairs, replacements) on mechanical equipment as needed;
- Identifying equipment deficiencies, and troubleshooting issues;
- Providing timely response to critical equipment breakdowns;
- Completing daily reports and Work Orders;
- Assisting in scoping and planning of new work;
- Adhering to all company safety and security policies and procedures;
- Reporting incidents and assisting with investigations and follow-up work;
- Maintaining meaningful contribution and participation in safety meetings and audits;
- Repairing, servicing, and reconditioning equipment per trade code and industry design specification requirements;
- Partaking in safety audits and meetings, maintaining meaningful contribution and participation;
- Providing timely response to critical equipment breakdown priority; and
- Recording all task related information as required to complete planning and work order requirements.

## Qualifications

### Formal qualifications:

- **Valid Interprovincial Journeyman Certified Millwright;**
- Experience in a similar processing facility (5+ years);
- Knowledge of conveyor belts, pumps, vibrating screens, jaw & cone & high pressure grinding crushers, Apron feeders & all other process plant mechanical equipment;
- Knowledge of condition monitoring systems;
- Basic welding skills & experience;
- Ability to operate within MS Office and a computerized maintenance management system (SAP);
- Proven commitment to Safety, Health and Environmental Standards;
- Experience working at a remote mining site and in a cross-cultural work environment.

# JOB OPPORTUNITIES

## Company Description

### Be part of the team. The team that makes it happen.

We are the world's leading diamond company, powered by thousands of people around the world who are driven to support thriving local communities, protect the natural environment, and stand with women and girls, focused on Building Forever.

If you like chasing demanding targets, thrive on making decisions in the pursuit of brilliance, and enjoy the support of the world's finest experts, we have a place for you.

## Additional Information

### Who We Are:

Active in Canada for over 60 years, we are part of De Beers Group, the world's leading diamond company. Globally, we are a team of more than 20,000 people, with operations in Canada, Botswana, Namibia, and South Africa, and activities across the diamond value chain from exploration to diamond jewelry retail. Our unwavering focus on sustainability and Building Forever fuels our commitment to advance standards across the diamond industry, protect the natural world, partner with local communities, and accelerate economic inclusion to support diversity in our business and beyond.

In Canada, we have more than 600 employees working at offices in Calgary, Toronto and Yellowknife, actively exploring for new diamond opportunities, recovering diamonds at the joint venture Gahcho Kué mine in the Northwest Territories, and closing and rehabilitating two mines. We are also advancing the Chidliak Project to establish a technologically advanced diamond mine on Baffin Island using FutureSmart Mining™ principles.

At De Beers, we believe in the power of working in partnership with communities to create lasting, positive impacts that endure long after we recover the last diamond. Our inclusive and diverse workplace values mining with respect for the environment and nearby communities, and we seek team players who share our passion for Making Life Brilliant.

### Safety

Safety first is a way of life for us. We are unconditional about the safety, health, and the well-being of our colleagues, at work and at home, and about that of the communities where we work. We aim to lead the industry by investing in innovation to protect people, who are at the heart of our business. Our high performing teams take accountability for their own and others' actions, work collaboratively, and always show care and respect.

### Equity, Diversity & Inclusion (EDI)

As a global #HeForShe Thematic Champion, De Beers is committed to promoting an equitable, inclusive and diverse workplace where we value and respect every colleague for who they are. We provide equality of opportunity to enable everyone to fulfil their potential. Please inform us should there be any special requirements that should be considered as part of your application.

### Building forever

Sustainability is at the heart of our decision-making – it is how we do business. Building Forever is key to our purpose as it represents our ambitious and holistic sustainability framework and is central to our ability to deliver long-term value to our
