

Sea Site Technician

If you are looking for an exciting opportunity to explore a career in the aquaculture industry, then this is the role for you! Join Mowi Canada West as a Sea Site Technician and learn more about growing salmon in a safe and sustainable manner while enjoying the beautiful marine environment of coastal BC.

Applicants with aquaculture experience and/or relevant post-secondary education will be given preference as we are a company that embraces constant learning and industry professionalism. The ability to get along with a wide variety of people from different backgrounds and cultures is paramount. We look for employees who are safety oriented, self-motivated, and have a positive attitude. Successful applicants must be physically fit, able to work in challenging weather conditions, and have a passion for taking care of animals.

Sea Site Technician Responsibilities:

- Feeding and all other care required for our fish
 - Cleaning, power-washing and sanitizing to ensure a pristine environment for our fish and our employees
 - Accurate reporting, record keeping and document management
 - Conducting environment sampling, plankton monitoring using specialized technology and equipment
 - Assisting with fish health sampling and grading fish by size
 - Monitoring fish behavior, appearance and health
 - Operating forklift and other site equipment when authorized and trained
- What we offer:
- Competitive industry wages and full-time, year-round employment
 - Camp shift of 8 days on and 6 days off
 - Comprehensive Flex Benefits Plan including Life & Disability Insurance
 - Wellness Program including an annual wellness reimbursement
 - Potential for Annual Bonus
 - Company provided PPE plus transportation from our Campbell River marshalling point

Wage: \$25.61 to \$29.10 / hour

Closing Date: October 19, 2025
