MOWI®

Sea Site Technician

If you are looking for an exciting opportunity to explore a career in the aquaculture industry, then this is the role for you! Join Mowi Canada West as a Sea Site Technician and learn more about growing salmon in a safe and sustainable manner while enjoying the beautiful marine environment of coastal BC.

Applicants with aquaculture experience and/or relevant post-secondary education will be given preference, as we are a company that embraces constant learning and industry professionalism. The ability to get along with a wide variety of people from different backgrounds and cultures is paramount. We look for employees who are safety-oriented, self-motivated, and who have a positive attitude. Successful applicants must be able to work in challenging weather conditions and have a passion for taking care of animals.

Responsibilities:

- Feeding and performing all other required care for our fish
- Cleaning, power-washing, and sanitizing to ensure a pristine environment for our fish and our employees
- Ensuring accurate reporting, record-keeping, and document management
- Conducting environmental sampling and plankton monitoring using specialized technology and equipment
- Assisting with fish health sampling, and grading fish by size
- Monitoring fish behaviour, appearance, and health
- Operating a forklift and other site equipment when authorized and trained

What We Offer:

- Competitive industry wages and full-time, year-round employment
- Camp shift of 8 days on and 6 days off
- Comprehensive flex benefits plan, including life and disability insurance
- Wellness program, including an annual wellness reimbursement
- Potential for an annual bonus
- Company-provided PPE
- Company-provided transportation from our Campbell River marshalling point
