

Sea Site and Hatchery Technicians

Are you crazy about fish, love being on the water, comfortable in remote locations, and passionate about protecting our beautiful BC coastline? Do you enjoy spending your spare time outdoors, whether it's fishing, hiking or adventure seeking? Do you want to be involved in producing sustainable food for the growing global population? If you answered yes!, then we encourage you to apply as you will fit right in with our 600+ Mowi employees who share the same values and interests.

Applicants with aquaculture experience and/or relevant post-secondary education will be given preference as we are a company that embraces constant learning and industry professionalism. The ability to get along with a wide variety of people from different backgrounds and cultures is paramount. We look for employees who are self-motivated, well organized and have a positive attitude. Successful applicants must be physically fit, able to work long hours in adverse weather conditions, and have a passion for taking care of animals.

Sea Site and Hatchery Technician Responsibilities:

- Feeding and all other care required for our fish
- Cleaning, power-washing and sanitizing to ensure a pristine environment for our fish and our employees
- Accurate reporting, record keeping and document management
- Conducting flow measurements, water quality checks, environment sampling, plankton monitoring using specialized technology and equipment
- Assisting with fish health sampling and grading fish by size
- Monitoring fish behaviour, appearance and health
- Operating forklift and other site equipment when authorized and trained
- For more information please go to <http://mowicanadawest.ca/about/in-brief/>

Our Sea Site and Hatchery Technicians must be available to work a camp shift of 8 days on / 6 days off. These positions are the most common entry point into our company, so only apply if you are ready for a full-time, year-round career on the North Island.

Closing Date: May 6th, 2019

To be considered for upcoming opportunities with a progressive, growth-oriented company, please submit your resume and cover letter online at: <http://mowicanadawest.ca/people/employment-postings/>

Apply for position

Mowi is the world's leading seafood company and the largest producer of salmon. Every day, our 13 233 employees in 24 countries produce 6.2 million healthy and delicious meals, served to customers across the globe. Mowi covers the whole value and production chain, from feed to plate, and through our vision of leading the "Blue Revolution" we are dedicated to farming the ocean in a responsible and efficient way. Mowi is headquartered in Bergen, Norway, and is listed on the Oslo Stock Exchange.
