

COMOX VALLEY FAMILY SERVICES ASSOCIATION (CVFSA) JOB DESCRIPTION

POSITION TITLE: **Sexual Abuse Intervention (SAIP) Counsellor**

REPORTS TO: **Executive Director**

The overall goal of community based SAIP is to provide a range of appropriate, timely and accessible assessment, treatment and/or support to children and youth, who have been sexually abused, and to children under the age of 12 with sexual behaviour problems.

The SAIP Counsellor provides sexual abuse intervention services to children and youth under the age of 19; and may work with children under the age of 12 who have sexual behaviour problems related to sexual abuse or exploitation experiences. The length of service is based on the specific needs and issues presented.

The SAIP Counsellor provides support and education for family members and works toward the prevention of future abuse.

Key Activities:

1. Conduct screening and assessment to determine eligibility, the nature and severity of sexual abuse.
2. Establish urgency and prioritize cases; determine course and nature of intervention.
3. Uses methods recognized in the sexual abuse field for intake and assessment purposes.
4. Use information derived from screening & assessment process to refer children/youth whose clinical needs are beyond the scope that SAIP can provide.
5. Develop a treatment/support plan with the child/youth or guardian, with measurable and realistic goals.
6. Attend clinical consultation with designated clinical therapist.
7. Enhance professional development by reading pertinent material, doing course work and sharing information with other professionals, and workshops/courses.

Clinical Interventions:

1. Provide short and long-term counseling to children and youth using verbal counseling, expressive therapies, and psycho-education.
2. Educate parents/caregivers in area of the child sexuality and development, supporting children's needs while in therapy, trauma symptoms and anticipated impacts on functioning, additional anticipated behaviors or challenges, and developing safety plans at home, etc.

3. Provide family support (coping with the aftermath of abuse or sexual behaviour problems).
4. Community support (safety planning, liaising with schools, daycare or other community professionals).
5. Case coordination as required to ensure high quality of service to clients and their families.

Agency:

1. Follows CVFSA policy and performance standards and accreditation standards.
2. May attend monthly CVFSA staff meeting to keep informed on upcoming events and program/agency updates.
3. Prepare and submit program reports in compliance with funder obligations.

Community:

- As needed liaise with stakeholders; provide integrated services and/or pertinent, specialized information to enhance program effectiveness;
- Develop sound working knowledge of local resources;
- Liaise with community partners and other professionals; initiate procedures to promote referrals;
- In consultation with other professionals and therapists, develop strategies to support and manage clients' behaviour and healing; and
- Educate family members, community partners and others about Sexual Abuse Intervention (SAIP) Program.

File Maintenance:

- Set up and maintain client files, consistent with accreditation standards;
- Develop treatment plan; review case records and update regularly;
- Assess clients and provide service within scope of MCFD contractual obligations;
- Keep accurate statistics; and
- Complete and submit reports and stats as contracted (SAIP contract).

Knowledge & Skills:

- Excellent organizational, communication and interpersonal skills;
- Ability to create and maintain a welcoming, friendly, safe environment;
- Affirms and promotes the dignity of children and adults with diverse backgrounds, interests and needs;
- Promotes and reinforces socially responsible behaviour;
- In-depth knowledge of child development, sexual abuse dynamics, family systems and mental health issues;
- Training and experience in expressive, behavioural and cognitive modalities;
- Knowledge of child protection and legal systems (Duty to Report);
- Basic computer knowledge and skills.

Qualifications:

- Master's degree in child and youth, education, social work or related field
- Minimum 2 years counseling experience with children and families

- Specialized training to assess and treat sexualized children considered to be an asset.
- Expressive arts therapy (play, art, drama) is considered to be an asset in dealing with children who have experienced trauma
