

## **About Us**

At Aquatrans, our success begins with our people. That's why we invest heavily in training, development, and retention to ensure that we find and maintain the best fit for our company. We provide a work environment that allows our employees to excel in what they do; our employees' happiness and comfort is the basis of our success.

We pride ourselves on our open company culture; we're progressive, evolving daily, and safety is ingrained in our culture. Most importantly we truly enjoy our work and the environment that we work in!

We are a specialty service, truck carrier located in Delta, B.C. who provides general cargo, refrigerated and bulk commodity transportation throughout the Lower Mainland, Vancouver Island, and Washington State. We also provide an increasing selection of Warehouse and Distribution services in the Lower Mainland and Vancouver Island.

We are a busy and growing company and are dedicated to providing excellent service to all of our customers – and our team makes this happen! From Truck Drivers to Accounts Receivable, and Warehousing our dynamic and supportive team carries out Aquatrans' success.

**Nature of Position:** Part time 24-32 hours per week, with potential to increase hours.

## **What You'll Do**

The Warehouse Technician will provide support at our local warehouse in Campbell River. The position ships/ receives/ consolidates freight and requires quick and precise data entry skill using our WMS. This candidate must be able to multi-task, be a team player, and have exceptional customer service & time management skills. Forklift operation is also part of the job, and training will be provided for the right candidate. The position is part time to start but could lead to full time as the position develops. Working days are Monday – Friday part time, the earliest morning shift start is 6:45am and latest afternoon shift end is 4:30pm.

## **You will:**

- Excellent customer service and communication skills – verbal and written
- Quick and precise computer skills
- Top notch organizational skills
- Indoor / outdoor work
- Forklift and pallet jack operation – load/unloading trucks daily
- Some manual labour and safe lifting
- Freight preparation for shipments
- Maintain a tidy and organized workplace.
- Basic warehouse/yard maintenance

- Perform other duties as assigned.

#### **What You Need to Get the Job Done**

- Safety mindset
- Self motivated, great work ethic, mature, and reliable.
- Valid class 5 drivers licence with reliable transportation.
- Forklift certificate and ability to operate equipment safely, considered an asset.
- Physically fit and able to lift to 50lbs.

#### **What You'll Love About Us**

- **Great Company Culture.** Our workplace is an open, engaging, and welcoming environment.
- **Meaningful work.** We offer transparency – we want to hear your thoughts and recommendations. Complexity – you can master new skills and improve. Team environment – have support around you for when you need it.
- **Benefits.** Extended benefits including health, dental, and vision.
- **Fair and competitive wages.** We offer the best for our employees and compete with industry standard.

**Note: Aquatrans is an Air Cargo secured company and the successful candidate for this role must complete a background check for this position and successfully meet all of the ACS requirements during the pre-employment screening process.**
