

Warehouse Technician - Omega Dock

We are looking for a person that can contribute to our improvement and growth in the Warehouse and Logistics department. The successful candidate will have the ability to build good relationships and excellent customer service skills. The ability to multi-task and manage the demands of a busy work environment will also be valuable.

Responsibilities:

- Receiving goods ordered and processing those receipts in our Opus Capita purchasing system, preparing documents for shipment to sites, and shipping to the end users.
- Shipping out goods to suppliers for the various sites.
- Recycling program management.
- Working with the operations department to load and offload marine vessels.
- Supervising contractors and staff working at the facility.
- Providing coverage at any Mowi Canada West north island warehouse.

Qualifications:

- Grade 12 diploma.
- Maintains a current BC driver's license, minimum Class 5.
- Previous warehousing, shipping, receiving and Forklift experience is an asset.
- Physically fit and able to lift 50 lbs.
- Familiar with basic computer operation.

Closing Date: October 28, 2019

To be considered for this opportunity with a progressive, growth-oriented company, please submit your resume, cover letter and copies of your valid certificates online at:
